E. Myers was present in connection with the further closing deal whereby the City would acquire the West 24 Ft. of the Brick Building on North side of Main Street for storage of back; and Mr. Myers was advised by the Council that as soon as deed was ready for delivery that the City would pay him the \$1000 and the City Recorder was instructed to draw a warrant in favor of D.E. Myers for \$1000.00 as soon as deed was ready to be delivered.

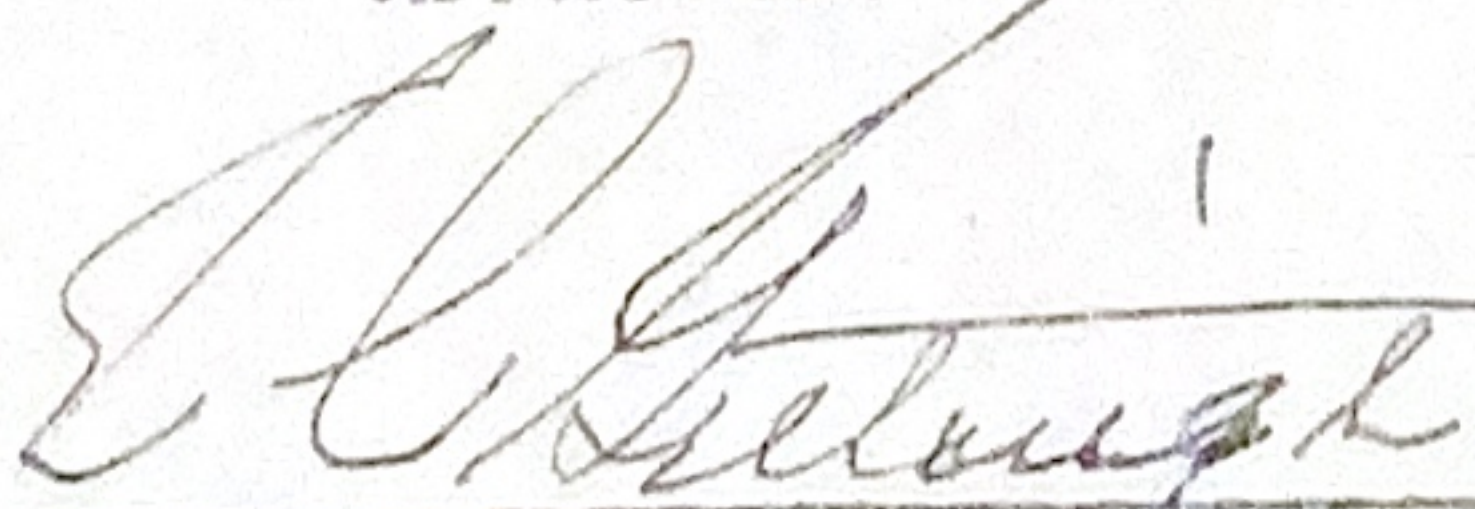

C. W. Barlow was present and requested authority to install an additional meter in connection with his green-house; and such request was granted with the understanding that Barlow was to pay for all installation and cost of meter.

Dr. Bennett was present and reported that a test from the Indian Creek and the two wells had been sent to the State of Health for analysis, and that the report sent back was that the water including Indian Creek was usable.- There appeared a difference from each of the wells.

Motion was made, duly seconded and carried that the meeting

Harris
 of the City of Elgin.

APPROVED:

Mayor.
